ACADEMIC HONESTY

Atkinson as a Faculty considers breaches of the Senate Policy on Academic Honesty to be serious matters. To quote the Senate Policy on Academic Honesty:

The Policy on Academic Honesty is an affirmation and clarification for members of the University of the general obligation to maintain the highest standards of academic honesty. As a clear sense of academic honesty and responsibility is fundamental to good scholarship, the policy recognizes the general responsibility of all faculty members to foster acceptable standards of academic conduct and of the student to be mindful of and abide by such standards.

Suspected breaches of academic honesty will be investigated and charges shall be laid if reasonable and probable grounds exist.

Students should review the York Academic Honesty policy for themselves at: http://www.yorku.ca/secretariat/legislation/senate/acadhone.htm

Students might also wish to review the interactive on-line Tutorial for students on academic integrity, at: http://www.yorku.ca/tutorial/academic_integrity/

OTHER IMPORTANT YORK POLICIES

Students should also review the other important York Policies which are mentioned on the on-line course outline at: http://www.atkinson.yorku.ca/Courses/outlineWebsite.htm
